

## Kalms Night

### Uses

A traditional herbal medicinal product used for the temporary relief of sleep disturbances, based on traditional use only.

### Dosage

Over 18 years: 4 tablets to be taken 30-60 minutes before bedtime.  
Four additional tablets can be taken earlier in the evening if necessary.  
As treatment effects may not be apparent immediately, Kalms Night should be taken for 2-4 weeks continuously.  
Under 18 years: not recommended.

### Format and Ingredients

White film-coated tablet containing:  
Valerian Root Extract (Valeriana officinalis L.) 96mg,
