

KELO-COTE Gel

Uses

For the treatment and prevention of old (up to 4 years*) and new hypertrophic and keloid scars resulting from burns, general surgical procedures and trauma wounds. KELO-COTE helps soften and flatten raised scars and reduce redness or discolouration associated with them. *Clinically proven in scars up to 4 years old.

Dosage

Adults, people with sensitive skin and children aged 3 months and over: ensure the affected area is clean and dry. Apply gel to the area as a very thin layer and allow to dry. Apply twice daily.
