

Canesbalance Bacterial Vaginosis Vaginal Pessaries

Uses

For the relief of symptoms of bacterial vaginosis, such as unpleasant odour, abnormal discharge and discomfort. Restricts the growth of bad bacteria and supports the growth of good bacteria to restore the natural environment.

Dosage

Women: insert 1 pessary before bedtime each day for 7 days. Can be used during pregnancy but a doctor should be consulted if a vaginal infection is suspected. Children: not suitable.
