

# Colpermin IBS Relief Capsules

## Uses

For the relief of symptoms of Irritable Bowel Syndrome (IBS).

## Dosage

Over 15 years and the elderly: 1 capsule 3 times a day swallowed whole. Not to be taken immediately after food. If the discomfort is more severe, the dose can be increased to a maximum of 2 capsules 3 times a day. Under 15 years and children: there is no experience of these capsules in those under the age of 15 years, thus use cannot be recommended. Contains peanut oil.
