

## Aveeno Baby Dermexa Moisturising Wash

### Uses

Clinically proven to cleanse and soothe baby's skin. Also suitable for babies who may be prone to eczema.

### Dosage

Squeeze onto hands or soft cloth. Apply to baby's skin and spread gently. Lather and rinse. For a complete routine, use with Aveeno Baby Dermexa Emollient Cream and Good Night Emollient Balm.

### Format and Ingredients

Moisturising wash containing:  
Oatmeal concentrate and ceramides,
