

Kalms Night

Uses

A traditional herbal medicinal product used for the temporary relief of sleep disturbances, based on traditional use only.

Dosage

Over 18 years: 4 tablets to be taken 30-60 minutes before bedtime.
Four additional tablets can be taken earlier in the evening if necessary.
As treatment effects may not be apparent immediately, Kalms Night should be taken for 2-4 weeks continuously.
Under 18 years: not recommended.
